

Guidelines for Submission to the Special Issue: 40th National Symposium on Plasma Science and Technology (PLASMA-2025), India

Authors who presented their work at **PLASMA-2025** are invited to submit full-length manuscripts to the **Special Issue of IEEE Transactions on Plasma Science (TPS)**. Before submission, authors are **strongly advised** to read and follow the **IEEE TPS Author Guidelines** available on the journal website and prepare the documents accordingly.

Pre-Submission checklist:

1. Manuscript prepared strictly in IEEE TPS format,
2. Extended version of PLASMA-2025 paper (with sufficient new content >60%),
3. All authors approved the final version,
4. Figures should be in high-resolution and embedded correctly,
5. Cover letter (optional),

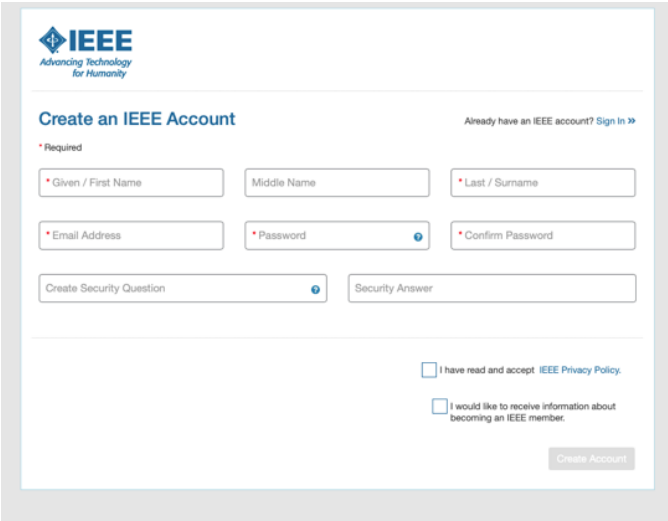

Step-by-Step Submission Procedure

Step 1: Access the IEEE TPS Submission Portal

Visit the IEEE-TPS manuscript submission portal using the following journal link

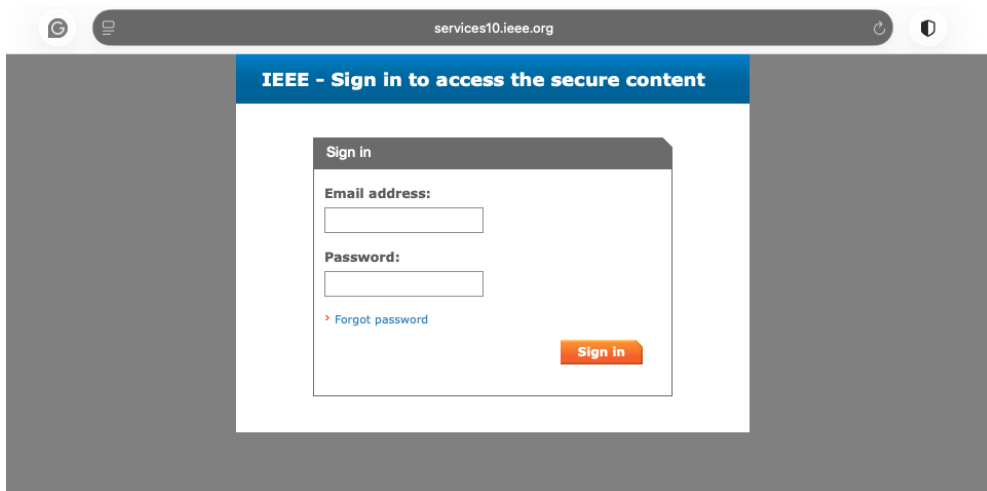

<https://iee.atyponrex.com/journal/tps-ieee>

⇒ If you don't have account, then create an account on IEEE

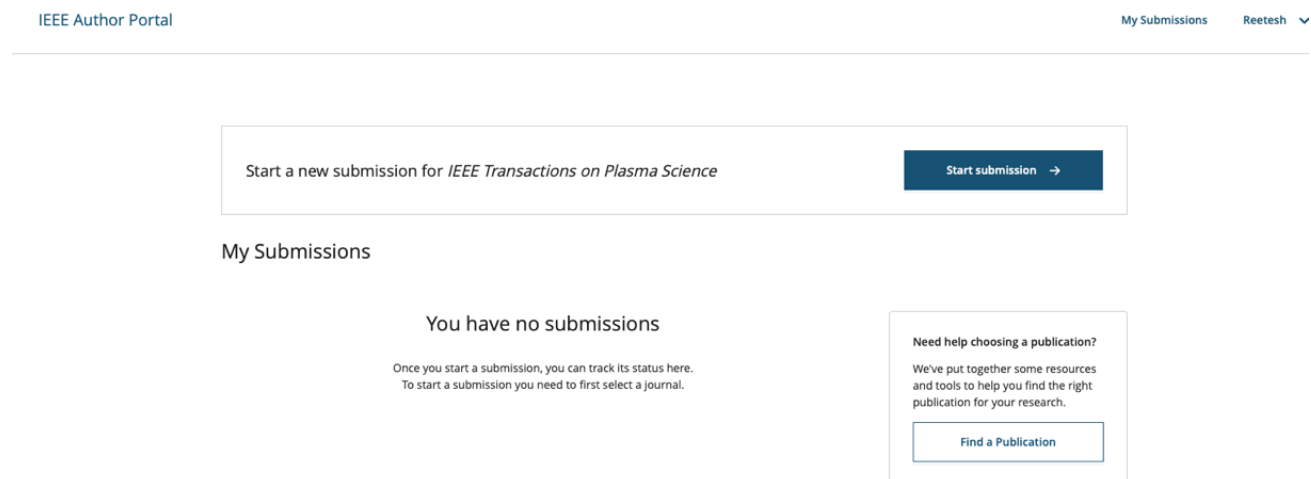

The screenshot shows the IEEE account creation page. At the top left is the IEEE logo with the tagline "Advancing Technology for Humanity". The main heading is "Create an IEEE Account". To the right of the heading is a link: "Already have an IEEE account? Sign In >". Below the heading, there are several input fields, each with a red asterisk indicating it is required. The fields are: "Given / First Name", "Middle Name", "Last / Surname", "Email Address", "Password" (with a strength indicator), "Confirm Password", "Create Security Question" (with a question mark icon), and "Security Answer". At the bottom right, there are two checkboxes: "I have read and accept IEEE Privacy Policy." and "I would like to receive information about becoming an IEEE member." Below these checkboxes is a "Create Account" button.

⇒ If you **already have an account**, please sign in directly.

Step 2: Start a New Submission

After logging in, click on “**Start Submission.**”

Step 3: Select Article Type

Start a new submission

The step listing on the right will guide you through the submission steps.

You cannot jump ahead or skip steps.

You may review or revise any previously completed steps before completing your submission.

The editorial office won't see your submission until you complete the **Final Review** step.

IEEE takes the protection of intellectual property seriously. Accordingly, all submissions are filtered by CrossCheck, a powerful plagiarism detection software system. By submitting your work you agree to allow IEEE to screen your work. When plagiarism is detected, penalties can be severe and may include strict banning from publishing in all IEEE titles. Please consult <http://www.ieee.org/documents/opsmanual.pdf> Section 8.2.4. to read about IEEE plagiarism policies. For more information please visit: <http://www.crossref.org/crosscheck/index.html>

Article Type

What kind of manuscript are you submitting?

Article Type

Special Issue on Plenary, Invited, and Selected Papers From the Fourth International Conference on Advances in Plasma Science and Technology (ICAPST-25)

Special Issue - Selected Papers from SOFE 2025

Special Issue on Electrical Discharges in Vacuum - 2026

Special Issue on the 2025 14th Asia-Pacific International Symposium on the Basics and Applications of Plasma Technology

Special Issue on the 40th National Symposium on Plasma Science and Technology (PLASMA 2025) in India

Please note : Selecting an incorrect article type may route your manuscript to a regular issue and delay processing.

Step 4: Accept Submission Terms

Read, accept, and confirm all copyright, ethical, and submission-related declarations that appear during the process.

Article Type

You must be able to acknowledge all of the following statements in order to submit to this journal. More information is available on our [Submission Guidelines](#) page.

What kind of manuscript are you submitting?

Article Type

Special Issue on the 40th National Symposium on Plasma Science and Technology (PLASMA 2025) in India

- I confirm that the manuscript has been submitted solely to this journal and is not published, in press, or submitted elsewhere, with exception that articles are permitted to be submitted to preprint servers.
- I confirm that each of the co-authors acknowledges their participation in conducting the research leading to this manuscript and has agreed to its submission to be considered for publication.
- I acknowledge that my name, email address, affiliation, and other contact details may be shared with IEEE partners involved in the production and publication of my article. Learn more at <https://www.ieee.org/ieee-data-access-and-use-policy.html>.
- I have prepared my paper and files in accordance with the journal's style and format requirements, which are described in the [Author Guidelines](#).
- I confirm that I have completely reviewed the three [IEEE Submission and Peer Review Policy Statements](#). The first deals with multiple submissions or publications of the same work; the second deals with plagiarism; and the third deals with electronic posting of papers on author websites. I understand that authors are responsible for understanding and complying with these policies. I understand that failure to comply with these policies may lead to penalties on future publication in IEEE venues.
- Authors understand that the use of artificial intelligence (AI)-generated text in an article shall be disclosed in the acknowledgments section of any paper submitted to an IEEE Conference or Periodical. The sections of the paper that use AI-generated text shall have a citation to the AI system used to generate the text.
- I understand I have the option of posting a preprint of this article to [TechRxiv](#), an open, moderated server for unpublished research.
- I confirm that my manuscript does not contain the Lena image. IEEE's [diversity statement](#) and supporting policies such as the IEEE [Code of Ethics](#) speak to IEEE's commitment to promoting an inclusive and equitable culture that welcomes all. In alignment with this culture and with respect to the wishes of the subject of the image, Lena Forsén, IEEE will no longer accept submitted papers which include the 'Lena image'.
- I confirm that all authors listed on the manuscript meet the IEEE authorship requirements. IEEE considers individuals who meet all of the following criteria to be authors:
 - a. Made a significant intellectual contribution to the theoretical development, system or experimental design, prototype development, and/or the analysis and interpretation of data associated with the work contained in the article;
 - b. Contributed to drafting the article or reviewing and/or revising it for intellectual content;
 - c. Approved the final version of the article as accepted for publication, including references.

Confirm →

Step 5: Upload Your Manuscript and other documents

Follow the on-screen instructions to upload Manuscript file (prepared in IEEE TPS format) along with other documents as mentioned in the guidelines.

The screenshot shows the IEEE Author Portal interface. At the top, it says "IEEE Author Portal" and "IEEE Transactions on Plasma Science". There are navigation links for "JOURNAL HOME", "AUTHOR GUIDELINES", and "EDITORIAL CONTACT". On the right, there are links for "My Submissions" and "Reetesh". Below the navigation bar, there are two main sections: "Start a new submission" and "Your Progress".
